

MULTNOMAH CourtCare™

A project of the Multnomah Bar Foundation, in partnership with Multnomah County, the Oregon Judicial Department, the U.S. District Court Attorney Admission Fund and Volunteers of America Oregon

Make a Difference Through the 15th Annual CourtCare Campaign

Before Multnomah CourtCare™, children whose families were involved in court proceedings were left to roam the Multnomah County Courthouse unattended or were brought in to witness often disturbing proceedings. Help make a difference in the lives of these children by contributing to CourtCare, a project of the Multnomah Bar Foundation (MBF).

Since opening in 2001, CourtCare has served over 16,000 children and their families. Your support continues this good work, funding CourtCare operations in the downtown Multnomah County and the East County courthouses.

YES! I want to support Multnomah CourtCare™ - I would like to help fund this unique, drop-in, free childcare program that provides a safe, enriching place for children, while allowing for efficient courtroom proceedings.
