Managing Difficult Clients

Two attorneys from different backgrounds (criminal defense, and personal injury) will discuss how to handle difficult clients at all levels of litigation, from catching red flags at intake to managing difficult expectations throughout litigation. Hear horror stories about clients refusing to sign settlement agreements they agreed to; clients failing to show up to court; and uplifting stories about working with indigent clients and those with diminished capacity. **Mae Lee Browning**, Attorney at Law; and **Ron Cheng**, Kaplan Law, LLC will explore the various strategies used to preserve your integrity while still effectively advocating for clients who can be their own worst enemies.
