advance for arrangements.*

Cryptocurrency and Blockchain Technology in your Daily Legal Practice

Did you miss the blockchain boat? It seems like everyone is talking about blockchain technology and cryptocurrency these days; you may even have clients asking you about it. This CLE seminar is designed to start at square one. Our panel of speakers **Nathan DiNiro**, Co-Founder and VP Marketing at YouBase; **Mindy Montgomery**, Product Manager for Moovel; and Miller Nash Graham & Dunn attorneys **Julianne Henley**, **Olivia Grabacki** and **Jacob Hasler** will:

- Explain what a blockchain is and how it's used to power digital currencies like Bitcoin.
- Talk about how blockchain technology can be used in other settings.
- Talk about specific case studies where blockchain technology intersects with the daily legal practice.

Have you ever wondered how to transfer cryptocurrency assets in a family law or estate planning dispute? Has a business client asked you about raising capital with digital tokens? Do you need to advise a client on how their Bitcoins will be taxed? We're going to cover it all. Sign up today, and don't let this boat leave without you!

For more information: Contact Shannon Hall, Gevurtz Menashe at 503.227.1515. For registration questions, contact the MBA at 503.222.3275.
